Elections Canada authorizes
Nipissing-Timiskaming PPC Association

Nipissing-Timiskaming PPC Association, North Bay, April 2, 2019

Elections Canada has formally recognized the Nipissing-Timiskaming PPC Association as an official electoral district association. This association will now act as the local representative of the **People's Party of Canada** and will select a candidate to represent the Party and the riding in the 2019 general election this fall.

Quote:

"We are very proud to be representing Maxime Bernier's People's Party of Canada in the riding of Nipissing-Timiskaming. Max's message of freedom and responsibility is resonating with Canadians from coast to coast to coast. We believe the voters of Nipissing-Timiskaming are looking for someone to be their voice in Ottawa, to be the voice of Canadians ignored by the traditional political parties. We are dedicated to organizing locally to make sure our new Party can be successful in the fall elections."

- Craig Dellandrea, President of the Nipissing-Timiskaming PPC Association
